

# Complete Mailing Services

Your Trusted Source For Everything Mail

## CERTIFIED MAIL<sup>®</sup>

A PATENTED AND FULLY ELECTRONIC PROCESS IN PARTNERSHIP WITH THE U.S. POSTAL SERVICE<sup>®</sup>

Fully automate time consuming manual processes, increasing efficiency and lowering costs.

### COST SAVINGS

**Save up to 20% in postage by modernizing procedures.** Our patented electronic return receipt replaces the outdated green card, reducing your postage and eliminating labor costs associated with sending and tracking the physical receipt. This improved process also makes it easier for you to obtain refunds for undelivered mail.

### INCREASE SECURITY & CONTROL

**Store activities and reporting in one place for easy and safe access.** Manage your Certified Mail<sup>®</sup> through a single and secure, fully integrated web portal and easily access reports and track real time progress and delivery, including the electronic return receipt. Increase your confidence in Certified Mail<sup>®</sup> progress and reduce your wait times.
